

What to bring to Camp Hosanna

The clothes you take on camp should be comfortable, durable and those that you can afford to damage. Make sure what you bring is practical rather than fashionable. Unsuitable or ill-fitted clothes will slow you down and distract you. Electronic devices such as phones, tablets and mp3 players, are not recommended. Check with your school to see if they want you to bring cameras.

The Important Stuff

- Sun hat
- Sneakers
- Water bottle
- Rain Coat
- Swimmers
- Warm jumper (especially in winter)
- Sunscreen

Other Clothes

- Long pants/Jeans for night time
- T-Shirts
